Wednesday the 4th of October 2023

14.00 – 14.45

Welcome to Nordic meeting, Fall 2023

- *Welcome by Rita, LyLe*
- *Agenda and goals for the meeting by Camille*
- *Practical information by Emilie*
- *Who are the participants around the table? (Everyone to present themselves)*

14.45 – 15.15

Take-aways from last meeting

- *What did we talk about in January?*
Camille to present take-aways from last meeting (January 2023)

15.15 – 15.30

"Fika" (coffee and refreshments) break

15.30 – 16.00

Short status updates from all countries

- *Any relevant news or experiences to share?*

16.00 – 17.00

Equality in treatments

In groups (2 persons), discuss and find solutions to:

- *How and where the problems with inequality in treatment particularly occur, and how the patient associations each deal to remedy these problems?*

17.00 – 17.15

All groups to share their discussions

Camille will moderate group work and discussion.

17.30 – 18.30

Break

18.30 – 21.00

Dinner in Restaurant Paul's (located at the hotel)

PROGRAM

Thursday the 5th of October 2023

08.00 – 09.00

Breakfast at hotel

09.00 – 09.15

Introduction of today's program by Camille

09.15 – 10.15

Blodcancerförbundet (SE) presents insights and experiences: "Patient Involvement program in Sweden"

Conversation (all together):

- *What is the status in the Nordic countries on patient involvement and use of e.g., patient reported outcome programs? What could be improved? How can patient involvement be strengthened in each country? And how can you as patient associations?*

Camille will moderate the discussion.

10.15 – 10.30

Short break

10.30 – 11.15

Mutations & mutational testing

Conversation (all together):

- *How patients can be better informed about the importance of knowing their subtype? What is the need throughout the Nordics? How can the patient associations help patients better?*

Camille will moderate the discussion.

11.15 – 12.00

Clinical Trials in the Nordics

Conversation (all together):

- *How are the patient associations experiencing Nordic patients being involved in clinical trials? What do the patients need (Network? Communication? Overview? Etc.) And how can the patient associations help patients before, during and after trials?*

Camille will moderate the discussion.

12.00 – 12.15

Sum up by Camille

12.15 – 13.30

Sandwich and goodbye
